Lindsay and Megan MacGillivray hold their catch at the Bailey Island Tuna Tournament

Jonathan and Ryder Noyes catch a blue shark at the Downeast Maine Shark Tourney

Ken Spenard and crew land a bluefin tuna at the Bailey Island Tuna Tournament

## Other forms of outreach that we are involved in.....

Help anglers identify their special catch

John Hansen of Tenants Harbor was surprised to find this 73 lb, 43 inch cubera snapper finning at the ocean surface while out lobstering.

Hand out regulations, tide charts, newsletters, fish tapes and various other fishing aides to anglers to help educate and make their fishing trip more enjoyable.
